

Maths - Vocabulary Progression.

Parish Church of England Primary School

Revisited Vital Vocabulary/ New Vital Vocabulary.

	EYFS	Y1	Y2	Y3	Y4	Y5	Y6
Number and Place Value (including number fluency).	<p>In Reception, weekly Maths units are taught, and vocabulary mapped out per unit of work to prepare children for the next stage of their Maths education.</p> <p>Rather than being thematic, this is coherently built over time to aid retention of knowledge. This is mapped out on EYFS planners.</p>	<p>number, digit, count, ten frame, take away, counting on, counting back, more than, less than, fewer, as many as, equal, 1 more, 1 less, number 11-20, making 10, counting on from 10, in total, altogether, more, few, pattern, 1 more, 1 less, growing pattern, increasing, decreasing, numbers 1-40, tens, ones, count in tens, numbers 1-40, digit, compare, more than, less than, greatest, smallest, How many more? Number pattern, more, more than, fewer, fewer than, even number, odd number, number bonds,</p>	<p>Numbers to 100, counting forwards/backwards/tens, tens, ones, number bond, place-value chart, number line, greatest, smaller, more than, less than, equal to, tens, ones, place-value chart, counting on, counting backwards.</p>	<p>Equal to, ones, tens, hundreds, place value, place value chart, smaller, greater, thousands, multiple, number patterns, 100 more, 100 less,</p>	<p>Equal to, Ones, tens, hundreds, thousands, place value, multiple, number patterns, greater than smaller than, estimate, numbers to 10,000 in numbers/words, 1000 less, 1000 more, rounding, approximation, approximately, equal to, Roman numerals, numeral system</p>	<p>Equal to, Ones, tens, hundreds, place value, thousands, multiple, number patterns, greater than smaller than, numbers to 10,000 in numbers/words, 1000 less, 1000 more, rounding, estimate, approximation, ascending, descending, tens of thousands, hundreds of thousands,</p>	<p>Equal to, Ones, tens, hundreds, place value, thousands, multiple, number patterns, greater than smaller than, numbers to 10,000 in numbers/words, 1000 less, 1000 more, rounding, estimate, approximation, tens of thousands, hundreds of thousands, negative number, number line millions,</p> <p>to stand for, algebraic expression, input number, output number, substitute, formula, formulae, consecutive, evaluate, variable.</p>
Addition and Subtraction		<p>Number sentence, part/part/whole, number bond, plus, add, equals, addition, altogether, count on, addition, greater number, in total, Crossing out, taking away, subtraction equation, number sentence, minus, subtract, equals, number bond, part/part/whole, count back, subtraction, addition</p>	<p>altogether, ones, tens, addition equation, add the ones, add the tens, plus, equals, number line, addition equation, counting back, taking away, double, making 10, renaming, column method.</p>	<p>Equal to, ones, tens, hundreds, place value, place value chart, smaller, greater, thousands, multiple, number patterns, 100 more, 100 less,</p>	<p>add, sum, total, renaming, approximately, place-value counters, altogether, difference, calculation, equation.</p>	<p>add, counting on, difference in greater, in total, minus, subtract, altogether, equals, partitioning, column method, renaming, double, addend, subtrahend, bar-model, rounding, approximate, tens thousands, hundreds of thousands, million,</p>	<p>Revisiting a range of mathematical vocabulary from across units, mixed operation, operation, calculation, bracket, bar model.</p>

		fact, subtraction, fact, plus, add, equals, minus, subtract,					
Multiplication and Division		equal groups, equal, How many are in each group? Groups, twos, gives, tens, row, array, how many are there altogether? Double, twice the amount, ten frame, how many in total? Groups, equal, equal groups, divide, share, shares, equally,	total, groups of, lots of equal, times, double, equal to, array, altogether, Sharing, grouping, total, equals, equal groups, groups of, times, multiply, multiplication, groups of, double, multiply, multiplication, groups of, double, divide, division, odd, even, division equation, multiply, multiplication, multiplication equation,	Sharing, grouping, total, equals, equal groups, groups of, times, multiply, multiplication, groups of, double, twice as many, Multiply, multiplication, groups of, double, divide, division, odd, even, multiplication family, division family, commutative properties, rename, counting in 20s, number bonds, divide, division, odd, even, one group less, one group more, multiplication family, division family, commutative properties, multiplying, ones, multiplying, tens, product, division,	Sharing, grouping, total, equals, equal groups, groups of, times, multiply, multiplication, groups of, double, divide, division, multiplication family, division family, commutative properties, inverse, commutativity, sharing, grouping, multiple, multiply, quotient, dividend, divisor, inverse, commutativity, partition, multiple, quotient, dividend, divisor, combinations	ones, tens, hundreds, thousands, ten thousands, hundred thousands, place value, approximate, difference, altogether, total, rename, multiple, factor, prime number, square number, cube number,	Revisiting a range of mathematical vocabulary from across units, mixed operation, operation, calculation, bracket, bar model,
Fractions		Whole, half/halves, share equally, equal parts, quarter/quarters, fourths,	Fraction, equal, half, halves, quarter, sharing, group, one quarter, unit fraction, numerator, denominator, third, equivalent,	fraction, whole, fraction, division, divide, share, whole number, fraction, division, divide, share, numerator, denominator, greater (than), less (than), smaller, <, >., equivalent, tenth,	Fraction, sum, divide, part, whole, number line, numerator, denominator, hundredth, tenth, mixed number, equivalent, simplify, proper fraction, improper fraction,	Mixed number, whole number, numerator, denominator, division, equal pieces, equivalent fractions, compare, order, greatest, smallest, common denominator, mixed number, proper fraction, improper fraction,	Fraction, part, whole, numerator, denominator, hundredth, tenth, mixed number, equivalent, simplify, proper fraction, improper fraction, common denominator, simplify, commutative, simplest form,
Decimals and Percentages					Ones, tens, number pattern, greater than, less than, round, equivalent, numerator, denominator, tenths, hundredths, decimal, decimal point, mixed number,	Ones, tenths hundredths, thousandths, decimal, decimal point, greater than, less than, greatest, smallest, lightest, numerator, denominator, equivalent value, total, difference, perimeter, estimate, rounding, percentage, fraction, hundredth, decimal, percent,	Place Value, regrouping, decimal, ones, tenth, hundredth, thousandth, decimal place, decimal point, Percentage, greater than, less than, percentage change, round, simplified, ratio,
Graphs and Charts			Picture graph, pictogram, tally chart, table, more, fewer, picture graph, pictogram, greatest number, smallest number,	data, pictogram, scale, tally chart, bar graph, scale,	table, bar graph, line graph, pictogram, information, more, less, greatest, fewest, highest, x and y axis, scale,	Duration, hour, minute, am, pm, 24 hour time, end time, midday, line graph, slope, axis, key, table, steepest line, increase, decrease, trend, volume, millilitres,	Average, mean, mode, median, bar chart, equal parts, pie chart, segment, line graph, average speed

Shape (including area and perimeter)		3D shape, cube, cuboid, sphere, pyramid, solid object, 2D shape, circle, square, triangle, rectangle, corners, sides, patterns, corners, sides.	corner, side, point, circle, square, rectangle, pattern, pentagon, hexagon, octagon, symmetrical. Dimension, face, edge, vertex, vertices, cube, cuboid, pyramid, sphere, cone, cylinder.	2D shape, length, total, side, cm, rectangle, square, straight line, point, angle, right angle, edge, face, vertices, two-dimensional, quadrilateral, perpendicular, vertical, parallel, horizontal, vertical, perimeter.	x-axis, y-axis, , vertex, isosceles triangle, right-angled triangle, scalene triangle, translation, co-ordinates	x-axis, y-axis, coordinates, x-coordinate, y-coordinate, reflection, image, rectangle, square, perimeter, length, breadth, area, right angle, parallel, perpendicular, estimate, square unit, scale, scale drawing, vertical, horizontal, translation, mirror line.	Length, breadth, perimeter, area, perpendicular, base, height, formula, parallel, parallelogram, pentagon, hexagon, polygon, regular polygon, cuboid, prism, triangular prism, net, face, consecutive, evaluate, variable, vertically opposite angles, equilateral triangle, isosceles triangle, radius, diameter, circumference. The origin, x-axis, y-axis, coordinates, x-coordinate, y-coordinate, quadrilateral, parallelogram, trapezium, rhombus, kite, isosceles triangle, equilateral triangle, translation, reflection, mirror line, object, image.
Angles				straight line, angle, point, amount of turn, angle, shape, sides, right angle, turn, quarter, half, three quarters, clockwise, anticlockwise, right angle, acute, obtuse.	Angle, right-angle, acute angle, obtuse angle, quadrilateral, equilateral triangle, isosceles triangle, scalene triangle, parallel, square, rectangle, rhombus, parallelogram, trapezium, kite, symmetrical.	Acute angle, right angle, obtuse angle, reflex angle, quadrilateral, rectangle, square, parallel, internal angle, external angle, diagonal, regular polygon, pentagon, decagon, vertex, protractor, degrees, diagonal, polygon.	
Time		Time hour hand, minute hand, o'clock, morning, afternoon, evening, night, half-past, second, minute, hour, day, duration, quicker, slower, before, earlier, after, later.	Next, last, before, after, first, time, evening, longer, most, minute, hour, minutes past, half past, quarter past, quarter to, o'clock.	morning, afternoon, evening, night, am, pm, midnight, noon, hour, seconds, minute duration, minute, start time, end time, leap year.	Start, end, time, minutes, hours, days, month, year, arrival, departure, estimate, 12 hour, 24 hour, convert, duration, am, pm.		
Money		Coins, pound coin, penny, coin, pounds, pence, value, notes.	Money, penny, note, coin, more than, less than, exchange, penny, pence, pound, cheaper, expensive.	amount, count on, pounds, pence, coins, notes, money, amount, subtract, difference, pounds, pence, coins, notes, money, total.	tenth, hundredth, decimal, decimal point, decimal place, pounds, pence, estimate.		

Volume and Capacity		Volume, full, more than, less than, compare, capacity, container, unit, liquid, fill, half, full , empty .	Full, empty, more, less, greatest, least, lesser than, one unit, capacity , volume, litre, millilitre.	Full, empty, container, more, less, litre, millilitre, volume , capacity , measure, mL, L.	estimate, millilitre, litre.	Volume, cubic units, cubic centimetre, cubic metre, cuboid, length, breadth, height, litre, millimetre, capacity.	Cube, cuboid, volume, cubic centimetre, length, breadth, height, cubic metre , cubic millimetre .
Mass		Heavy, light, as heavy as, mass, balance scale, unit, lighter, heavier, more than, less than, heavier than , lighter than , as heavy as.	Balance, weight, more, less, single, group, total, add, subtract, heavier , lighter , kilogram/kg, grams, mass, weight, heaviest, lightest.	Balance, weight, more, less, heavier, lighter, kilogram/kg, grams, mass, weight, scales , estimate .	Metre, centimetre, decimal, kilometre, estimate, gram, millilitre, litre.		
Measure		height, length, measure, width, wide, long, unit, centimetres, tall, short, long.	unit, less than, difference, sum, difference, total, length, unit, centimetre, metre, more than, less than, greater than, longest, shortest, estimate.	length, unit, centimetre, metre, distance, bar model, millimetres , unit of measurement , converting metres to centimetres , converting centimetres to metres .	Centimetre metre, perimeter, quadrilateral, rectangle, area, square units, length, breadth.	cm, mm, metre, km, mass, gram, kilogram, volume, litre, millilitre, inch, yard, mile, ounce, pound, temperature, thermometer, yard , ounce , pint , gallon .	Millimetres, centimetres, convert, compare, length, width, perimeter, unit of measurement, divide, multiply.
