Autumn Term 2

Welcome back after the half term break. We have a very busy and exciting term ahead of us, filled with lots of Christmas activities. I have attached a list of diary dates for this term to this newsletter for your information.

Poppy Appeal

Once again, we currently have poppies on sale in school. A minimum donation of 20p is asked for. I'm sure that you will agree that this is a very worthwhile appeal. Other merchandise is also available priced from 50p to £1.

'Wear your poppy with pride'

Health and Safety

Please can we ask for the safety of the children that the outdoor play equipment is not used before and after school. The equipment is designed for supervised play only. So therefore, we ask that you please refrain from letting your children use it at these times. Thank You.

School Photographs

Earlier this week you will have received your child/children's school photographs. If you wish to purchase any photographs, the dead line date to send your completed envelope with your order and payment in to school is **Monday 19th November 2018**.

Parents' Evening

Parents' Evenings will take place next term on **Monday 6th and Tuesday 7th** November from 3.30 – 5.30pm. Letters have been sent home giving details about how you can book an appointment with your child's class teacher.

Morning Preparation

We would like to ask parents to ensure that their children arrive at school in the morning with everything they need for the day. Children also need to know what their travel arrangements are for the end of the day / who will be collecting them. Whilst we do understand that situations can change during the day, we are finding that classes are constantly being disrupted when members of staff from the office, need to take forgotten packed lunches, PE kits etc in to class or deliver messages at other times of the day.

School Nurse 'Drop In'

Our school nurse, will be holding the next 'Drop In' session here, in school on **Monday 5th November - 3.00pm-3.30pm**. These sessions are for any parent or carer who has any concerns about their child.
