OUR VISIONS & VALUES

Photographs taken by pupils from Year 6

In October 2014 year 6 pupils took part in an informative and creative digital photography project which was run by a professional photographer from 'Great Photos By Kids'.

The pupils thoroughly enjoyed using semi-professional equipment, and working with a professional photographer, quickly learning to take an interesting and well composed photograph, as you can see from the excellent images produced for this book - all taken by the pupils, the work displayed in this book is a credit to all the children who took part.

The pupils were very enthusiastic, they used their new found skills to produce creative images of our school's visions and values.

Partnership, Achievement, Respect, Independence, Success, Happiness.
