We will:

- Foster an atmosphere where children are encouraged to reach their full potential.
- Provide a warm, friendly environment, built upon strong partnerships where there is co-operation and communication.
- Build confidence by developing self-esteem.
- Create an environment where everyone feels secure and happy.
- Inform parents of children's progress at two parents' evenings through the academic year. (A short progress report is sent out at the end of the Autumn and Spring term and a detailed report at the end of the Summer term.)
- Always be prepared to discuss parents' concerns about their children and inform parents of any concerns the school may have.
- Work collaboratively with parents ensuring children receive consistent messages about expectations in behaviour, at school and at home.
- Explain to children the importance and the need for the school rules.
- Provide parents with an overview of the curriculum being taught each half term.
- Ensure parents are aware of our homework structure.
- Keep parents informed about school activities and important information in the weekly newsletter.
- Provide parents with a list of school holidays to ensure NO holidays are taken within term times (this is illegal to do so).
